the various creations on the menu are all suitable for sharing, so you can experience the full range of Bambule! cuisine. If you don't want to share, you can of course put together your own menu.

In addition, there is the possibility to let the Bambule! team guide you through the evening - with one of the 2 menus, Radau and Bambule! Both are served for 2 persons or more.

What's on the table is determined by the season and the market.
